\* Slips 21, 122, 126, & 127 are occupied with temporary assignments.

Please contact the Fleet Captain to request a slip transfer. Fax completed application to 301-262-8566.

Please see Rule # 17d (page 120 of the current CYC Yearbook)

***"Assignment shall be made by the Fleet Captain on the basis of vessel / slip suitability (length, beam, draft of vessel / length, width, depth of slip). When applications are received from two or more members with boats of similar suitability, the assignment shall be made on the basis of member seniority. The Fleet Captain, with concurrence of the Board of Governors, may deny the assignment of an available slip to any applicant if such slip is determined to be unsuitable for each of the applying members' boats."***
